Take a Look!

By Della Cohen
1. Have you ever looked at the sky at night? What can you see?

2. What kinds of nature can you see in your own backyard or on the way to school?

3. What can you learn by looking more closely at nature?

Note: The total word count includes words in the running text and headings only. Numerals and words in chapter titles, captions, labels, diagrams, charts, graphs, sidebars, and extra features are not included.
