Distance Learning

Pearson Faculty Advisors share best practices for the creation and implementation of a fully online course. Learn more >

Just-In-Time Trainings

These trainings offer a peer-led dive into how to teach with your Pearson technology solution. These on-demand webinars cover specific topics and are led by Faculty Advisors: fellow higher education instructors and Pearson technology super users.

Office Hours

Get tips and learn best practices for teaching with our products from Pearson’s Faculty Advisors. These webinars are hosted live June-August and will also provide an opportunity for your questions to be addressed.

Register for a Live Session

*All times listed are in Eastern Time (ET)
Getting Started:
MyLab without a Learning Management System (LMS)

This training is intended for instructors new to using MyLab. You'll be guided through creating or copying a new course, menu contents, creating assignments, and using the gradebook.

After you complete the training, please fill out this brief survey. If you have a question not addressed in the training, register for one of our live Office Hours to speak with an instructor, or send it to CustomerSuccess@pearson.com.
