Just-In-Time Trainings

These trainings offer a peer-led dive into how to teach with your Pearson technology solution. These on-demand webinars cover specific topics and are led by Faculty Advisors: fellow higher education instructors and Pearson technology super-users.

Distance Learning: Transitioning to Online Teaching with Learning Catalytics

In this training a Pearson Faculty Advisor shares best practices for the creation and implementation of a fully online course. The training will discuss topics around teaching online, including accessibility, assignment creation and settings, schedule development and course pacing, and grade book organization and reporting.

After you complete the training, please fill out this brief survey. If you have a question not addressed in the training, send it to CustomerSuccess@pearson.com.
