Student Registration Instructions

To access REVEL from your Blackboard course:

1. Start from your Blackboard course.

2. Select a content area (perhaps called Content or REVEL) from the left navigation.

3. Select **Open REVEL**.
   
   If you have a Pearson account, enter your username and password. Otherwise, create a new account. **Note:** If you are also registering for a Pearson MyLab (like MyMathLab or MyVirtualChild) this term, *you must register for the MyLab first*, in order to use the same username and password for REVEL.

4. When your accounts are linked, select an access option:
   
   - Redeem an access code purchased from the bookstore.
   - Buy access using a credit card or PayPal.
   - If available, get temporary access.

5. Your REVEL content appears.

To go back to Blackboard, look for the Blackboard tab or window in your browser. That’s it. Throughout the semester, please access your REVEL content through Blackboard.

**To upgrade temporary access to full access:**
To upgrade your access before your temporary access expires, select the link in your confirmation email.

Once your temporary access expires, when you open REVEL from Blackboard, you’re prompted to upgrade your access. Redeem a pre-purchased access code, or buy access using a credit card or PayPal.

**Need help?**
If you have trouble getting access, make sure your laptop or other device is set up to work with REVEL.
