Confirm Access

1. Click **Learning Catalytics** from your MyLab Course Home page to establish your Learning Catalytics connection. That’s it to establish your connection!

Join Sessions

1. Once your instructor has started a session, click **Learning Catalytics: Join Now** to get connected to the session in progress.

Important Tips

- **Do not** go to learningcatalytics.com and create a separate Learning Catalytics account.
- Join Learning Catalytics sessions from your MyLab course.
- Make sure to cross over from MyLab to Learning Catalytics to confirm access **before** your professor delivers the first session in class.
